

St. Osmund's Year 5 - Summer Half Term Pre-Learning Tasks

To help you prepare for our upcoming half term's work on Mayans, it would be beneficial if you could complete as many of the tasks listed below as possible.

Each task is linked to our topic and will help provide background knowledge on the themes we will explore. This work will not be marked, but any work you choose to present may contribute to a classroom display or serve as a discussion point.

Making Mayan Mask

Use materials like cardboard, clay, paper, feathers, paint, or natural materials to design your mask. Think carefully about the shapes, patterns, and colours the Maya used in their artwork. You could include symbols, animals, geometric patterns, or bright colours to make your mask stand out. Consider what your mask might represent - a king, a warrior, a god, or a powerful spirit from Mayan culture. We can display it on our history wall when finished!
