Dear Parents and Guardians,

I hope you had an enjoyable and restful summer break and are looking forward to another exciting year at St Osmunds. It is my pleasure to welcome you and your children to a new academic year and to help them transition from Reception to Year 1. I am really looking forward to this year, and will try to fill it with as much learning, excitement and fun as possible. The children have transitioned into the new school year very smoothly. Everyone has adapted to the rules and routines of the class successfully. From looking at the topic river, you will be able to see that we will be covering a vast amount of detail within key subject areas. I hope we will work closely together to help your child reach their full potential and importantly promote a love of learning. Here is to a wonderful year ahead.

If you wish to discuss anything further, please make an appointment through the school office.

Reminders

Please be mindful that we are a nut free school. Encourage your child to take responsibility for what they need for their school day as they will need this daily:

- Water bottle
- Reading book
- Reading diary
- Book Bag
