A week's highlights:

Welcome Back!

Happy New Year! A hearty welcome back to you all for spring term. If I have yet to catch you let me thank you now for your kind and generous Christmas gifts, they are much appreciated.

The busyness continues this term after the success of the last: the children have settled in very well and have really stepped up to the new expectations of Year 1. They are showing fabulous, positive attitudes to learning and to making mistakes - the best way to learn something new. Thank you again for your help last term, the cooperation between school and parents is so vital to giving our children the best possible start.
