Year 1

Mr Veale

Dear Parents/Guardians,

I would like to offer you all a hearty welcome you all to Year 1. I am looking forward to getting to know you all more at the gate and the various gatherings across the year. Please do join me on Tuesday the 19th of September at 6pm to talk through the curriculum for this year as well as vital information as to your child's learning. The children transitioned to Year 1 with aplomb and are becoming accustomed to the different structure of their new class.

We will be teaching a wide breadth of subjects under our topic umbrellas this year, including a revised and improved English curriculum. My main priorities for the coming term and beyond are in reading and creative skills, as well as fostering independence, emotional communication and social skills and critical thinking. I look forward to you joining us on our journey.

Reminders

Please ensure your child comes to school prepared at all times. Children must have a school water bottle with fresh water every day. Fruit or vegetables can be brought in for break time each day. Please be mindful that we are nut free school.
