

St Osmund's Year 5 - Summer 1 Home Learning Tasks

In order to support your learning for next half term, here are a range of tasks for you engage with!

Maths: Times Table Rock Stars

Have a go at the different activities on TTRS. There is a house team tournament set up on TTRS for all of KS2 so every time you play the games, you will not only earn your coins but also earn points for your house team.

Geography: Coasts

Research coasts and find out what some of the key features of coasts are. You could create a model of a coast to demonstrate your knowledge or create an information poster.

<https://www.dkfindout.com/uk/earth/coasts/>

English: Poetry

During the summer term we will be studying a wide range of poetry. Over the break, I would like you to find a poem you really enjoy and bring it in to share with me.
