

SPRING 2024

Miss McKeever

Dear Parents/Guardians,

I would like to take this opportunity to say a huge thank you for the generous gifts I received before Christmas. I hope that I hope you and your children had a safe, happy and restful Christmas break – I have enjoyed hearing about it this week. Year 5 worked extremely hard during our term 1, producing some fantastic narratives in English and creating beautiful Tudor artwork which they thoroughly enjoyed.

Spring term is a busy term, full of new learning. We will be studying extreme earth, covering many different natural disasters as part of our geography topic while investigating the Victorian era in history. In math we will continue to work on our multiplication and division while applying our knowledge to a range of problem solving activities and so it would be extremely beneficial if you could encourage them to continue using Times Tables Rock Stars to help consolidate their recall.

As always, I hope that we can work alongside one another to support your children and allow them to reach their full potential.

Best wishes,
Miss
McKeever

Weekly Highlights

There are no changes to homework routine

Monday
