

St. Osmund's Year 4 - Pre-Learning Tasks

In order to prepare for the following half term's work it would be beneficial if you could undertake all the Pre-Learning Tasks. These tasks are all linked to the text we will be looking at in the classroom and will give you a background to the themes under investigation.

This work will not be marked but any work presented could form the basis of a classroom display or a discussion point.

Please make sure you practice 'soundcheck' on TTRS as these are exactly the same as the MTC test in June.

History

Have a listen to the different clips about the dig at Sutton Hoo
<https://www.bbc.co.uk/sounds/play/p02gb3my>

Science

Create a leaflet for KS1 about looking after your teeth.
Make sure you include how to care for your teeth and why it is important to look after your teeth. Include some pictures so it is eye catching.

Maths

Have a go at the different activities on TTRS.
There is a house team tournament set up on TTRS for all of KS2 so every time you play the games, you will not only earn your coins but also earn points for your house team.
