

Year 4

Miss Sloan

Dear parents/guardians,

Welcome back to a new academic year. I hope you all had a relaxing summer. We have had a great start to Year 4, the children have settled in well and are enjoying our topics. I have enjoyed getting to know your children more this week and I am really looking forward to the year ahead.

This term, Year 4 have a lot to look forward to. The children will be developing their reading skills, when scanning texts for information and will have the opportunity to read a variety of fiction and non-fiction texts.

You will be able to see, from this term's topic web that we will be covering a great deal. The theme for this half term is 'Roman Britain'. We will be learning all about the Roman Empire and its impact on Britain, following a cross- curricular approach where possible.

I hope we will be able to work closely together in order to allow each child in the class to reach their full potential.
