Dear parents,

A warm welcome back to the summer term and year 6's final one here at St Osmund's. We have a busy and exciting term ahead, with lots of hard work and stimulating activities that I am confident the pupils will embrace. We will begin the term with our geography topic *Antarctica* and in the second half of the term we will switch to our history topic *Ancient Greece*.

The focus of this half term will be the upcoming SATs (13th-16th May) and helping them to prepare for these assessments. The second half of term will focus on transitional activities for secondary school and developing the skills needed to make the move as smooth as possible. As this is your child's final term at St. Osmund's, I sincerely hope it will be a very joyous and special one. Kind regards, Miss George
