

St. Osmund's Year 6 - Spring Half Term Pre-Learning Tasks

In order to prepare for the following half term's work it would be beneficial if you could undertake as many of the tasks listed below as possible.

Tasks are all linked to our topic of World War 1 and 2 and should help to give you a background to the themes being explored. This work will not be marked but any work presented may form the basis of a classroom display or a discussion point.

Parent Questionnaire & Powerpoint Presentation

Design a questionnaire to find out about your parents' lives when they were growing up. You could find out about:

*what music they listened to;
what clothes were in fashion;
what school life was like;
what programs they watched on TV;
what technology was available.*

Science and PE Workout Request Plan

Design a workout that uses lots of different muscle groups in your body. Think about including some aerobic exercise to keep your heart healthy too.

Mathematics

Have a go at the different activities on TTRS. There is a house team tournament set up on TTRS for all of KS2 so every time you play the games, you will not only earn your coins but also earn points for your house team.
