Dear parents/guardians,

It gives me great pleasure to welcome you all back to St Osmund's after the summer break and in particular to year 6. I can already see from our first few days together that the children are excited and enthusiastic for the busy term ahead. The class have settled beautifully in to the routines of year 6. I very much look forward to teaching them this year; helping them to prepare for their transition to secondary school and to grow into thoughtful young people, who look to be the best they can be spiritually, academically, socially and physically.

The topic web displays the curriculum coverage for this term. As you can see this term's class texts relate closely to our history topics of World Wars I and II. A motivated and dedicated approach by all members of year 6 is essential to ensure that high expectations are embraced enthusiastically, and that each child is ready to learn, is respectful of others and school property and believes in themselves and their peers.
