

St. Osmund's Year 3 - Autumn Half Term Pre-Learning Tasks

In order to prepare for the following half term's work it would be beneficial if you could undertake as many of the tasks listed below as possible.

These tasks are all linked to the topics we will be covering in the second half of the Autumn term. This work will not be marked but any work could be put on display in the classroom or earn some house points.

Geography

We have been looking at deserts in class, in particular at what you would find in a desert.

Choosing any of the deserts across the world, write a short fact file about an animal you would find in that desert.

Mathematics

Have a go at the different activities on TTRS.

Remember, time on TTRS will earn house points for your team. Help your house team out by earning as many as possible!

Writing/ Handwriting

We have been looking at Alan Peat sentences in class, where we need to include two adjectives to describe a noun. Look at the example below and have a go at writing 5 of your own in your **neatest handwriting!**

Lob walked across the bumpy, dusty path towards the ancient, cosy cottage.
