

St. Osmund's Year 3 - Summer Half Term Pre-Learning Tasks

In order to prepare for the following half term's work it would be beneficial if you could undertake as many of the tasks listed below as possible.

These tasks are all linked to the topics we will be covering in the second half of the Autumn term. This work will not be marked but any work could be put on display in the classroom or earn some house points.

Geography

In the summer term, we are going to be learning all about rivers.

I would like you to choose any of the rivers from around the world and create a fact file for your river.

Mathematics

Have a go at the different activities on TTRS.

There is a house team tournament set up on TTRS for all of KS2 so every time you play the games, you will not only earn your coins but also earn points for your house team.

Writing

In the summer term, we are going to be looking at poetry. I would like you to pick your favourite poem and write a short passage about why it is your favourite poem.

Have a go at writing your own poem about whatever you like!
