

St. Osmund's Year 3 – Spring Half Term Pre-Learning Tasks

In order to prepare for the following half term's work it would be beneficial if you could undertake as many of the tasks listed below as possible.

These tasks are all linked to the topics we will be covering in the second half of the Spring term. This work will not be marked but any work could be put on display in the classroom or earn some house points.

Geography

Write a short description about 3 different types of settlements. Are they a hamlet, village, town, city or megacity? What transport links are there? How big is the population?

Maths

Have a go at the different activities on TTRS.

There is a house team tournament set up on TTRS for all of KS2 so every time you play the games, you will not only earn your coins but also earn points for your house team.

English

Write 5 short interview questions as if you could talk to the Iron Man. You would want to ask him why he's here? How long is he staying for? What does he think about people
