I have attached this term's topic web on to the school website which will show all of the topics that we will be covering during the spring term. Any queries regarding the content we are covering this term please contact the school office to arrange an appointment.

Dear parents/ guardians,

Happy New Year! I hope you all had a wonderful Christmas and a restful end to the year. I want to say thank you for my incredibly generous gifts, they were so thoughtful and meant a lot to me. I also wanted to say how happy I am with the progress all of the children have made since beginning in September. They have shown me how hardworking they all are and have displayed an incredible commitment and enthusiasm in all subjects. I also want to thank you all for continuing to read at home, I have noticed a big improvement in their fluency and expression when reading. I hope we can keep this work up throughout the spring term and continue to improve across the board.

Best wishes,

Mr Reid
