Year 2

Mrs O'Sullivan

Dear Parents/Guardians,

With the summer holidays behind us now, I would like to welcome you all to Year 2. The children have managed the transition exceptionally well and everyone has settled into the rigors of the school day. We will continue to teach using cross curricular themes and this term we will be covering a great deal. Please could I ask you to send into school any colourful magazines and ribbons you may have at home that you don't need any more for an art project. Also, I desperately need copies of 'NG Kids' for our book corner.

I hope we will be able to work closely together in order to allow each child in the class reach their full potential. If you would like to make an appointment with me please do so via the school office.

Reminders

Please ensure your child comes to school prepared at all times. Children must have a school water bottle with fresh water every day. Fruit or vegetables can be brought in for break time each day. Please be mindful that we are nut free school.

I am very keen to hear your child read as often as I can so please would you make sure that they come into school with their reading book/diary each day and that you hear them read to you at home every day.
