

St. Osmund's Year 6 - Summer Term Pre-Learning Tasks

In order to prepare for the following half term's work, it would be beneficial if you could undertake as many of the tasks listed below as possible.

Tasks are all linked to our Ancient Greek topic and should help to give you a background to the themes being explored. The work you present may form the basis of a classroom display or a discussion point.

The Trojan War

Read the story of the Trojan War. Using figurative language describe the battle between Hector and Achilles.

Make a model of the Trojan horse, use a medium of your choice - wood, papier mache, clay, card etc.

A Trip to Olympia

Imagine you are off to the Olympic Games, write a travel diary of your experiences. Think about the journey from your home to Olympia. How did you get there and how long did it take? Are you going to the Games as a spectator? What events are you looking forward to seeing most?

Are you an athlete?

What event are you going to compete in? Where did you stay in Olympia and what did you see each day?

Hall of Fame

Read about some of the famous Greeks who have made contributions to science, art and thinking, such as Sophocles, Plato, Aristotle, Archimedes, Pythagoras.

Create a hall of fame and found out about their achievements. You could record your work as a fact file.
