

St. Osmund's Year 6 - Summer Term Pre-Learning Tasks

In order to prepare for the following half term's work, it would be beneficial if you could undertake as many of the tasks listed below as possible.

Tasks are all linked to our class text 'Shackleton's Journey' and topic work. They should help to give you a background to the themes being explored.

The work you present may form the basis of a classroom display or a discussion point.

Antarctica

Visit the Natural Curriculum and have a go at the word challenge, grammar challenge, number challenge and the critical thinking question.
Gather interesting facts about Antarctica and be ready to share them in class.

Year 6 Geography Mission: The Antarctica Expedition

Imagine you are a polar scientist and conservationist. You have been asked by the International Antarctic Treaty organisation to create an "Antarctica Fact File & Protection Plan."
