

Spring 2025

Miss Kallu

Dear Parents/Guardians,

I would like to take this opportunity to say a huge thank you for the generous gifts I received before Christmas. I hope that I hope you and your children had a safe, happy and restful Christmas break – I have enjoyed hearing about it this week. Year 5 worked extremely hard during our first term, producing some fantastic narratives in English and creating amazing pop-up books which they thoroughly enjoyed.

Spring is a busy term, full of new learning. We will be studying extreme earth, covering many different natural disasters as part of our geography topic while investigating the Victorian era in history. In maths, we will be exploring area and scaling, focusing on how to measure them. We will also revisit decimal fractions, this time incorporating multiplication and division. It would be extremely beneficial if you could encourage them to continue using Times Tables Rock Stars to help consolidate their recall.

As always, I hope that we can work alongside one another to support your children and allow them to reach their full potential.

Best wishes, Miss Kallu

Weekly Highlights
