Friday 21st March

Dear parents and children,

It is continuing to be a very busy term with so many different events happening from community performances, sporting events and class trips. Please keep a close eye on the diary to see the events that are coming up.

Thank you to the Reception and Year 1 parents who were able to attend the Reading meeting this morning. I hope you found it useful to understand how reading develops across KS1.

I have been very impressed with all of the photos that have been sent in. They will be on display from Monday for all to see during the week.

Maths March continues on Thursday, do pop along.

Easter Bonnets – KS1 children are asked to be creative and make an Easter bonnet over the next couple of weeks for a KS1 Easter bonnet parade at school on Monday 31st March. Please be creative, decorate an old hat or make a hat from paper and card. Help your child but it should be mostly their creation.

Eggstravaganza – KS2 children are asked to create an eggstarvaganza egg scene. Be as creative as possible. This needs to be in school on Monday 31st March for judging on Tuesday. Please make sure your creation has your name on it and is not too big – ideally no bigger than a shoe box.

If you are after any ideas, please look at the gallery section of our website, under the Children tab as this will show you previous creations.
