Friday 28<sup>th</sup> March

Dear parents and children,

It has been a long week but finally the weekend is here. Thank you to all of those who were able to attend parents evening this week. We hope it was useful to hear about the progress your child is making and to see examples of their fantastic work.

In addition, I hope you enjoyed being able to see the amazing Science photographs that were submitted – such a wide range of styles. It was impressive to see how many were taken in our local area.

Earlier this week, our Year 4 children took part in our second Common Ground project 'Spring is Sprung'. This involved a lovely performance by our children and members of FISH. It has been truly inspiring to see the bond grow between this group over the past few weeks. The members of FISH spoke so highly of the children and how privileged they felt to be able to get to know them.

Well done to KS1 for a very special Mother's day liturgy this morning, you shared beautiful words and singing that brought a tear to many eyes.

Happy Mother's day.

Please be creative, decorate an old hat or make a hat from paper and card. Help your child but it should be mostly their creation.

Eggstravaganza – KS2 children are asked to create an eggstarvaganza egg scene. Be as creative as possible. This needs to be in school on Tuesday 1<sup>st</sup> April for judging on Tuesday. Please make sure your creation has your name on it and is not too big – ideally no bigger than a shoe box.

If you are after any ideas, please look at the gallery section of our website, under the Children tab as this will show you previous creations.
