

St Osmund's Catholic Primary School Newsletter

Friday 25th April

Dear parents and children,

We hope you all had an enjoyable and restful Easter holiday.

We started our week this week on Earth day and for the last lesson of the day we had a power down lesson with no lights, computers or c-touch screens, it was an hour without power. We also used this as a way to remember Pope Francis' message and vision for caring for our planet as our common home.

Congratulations everyone for taking part in the mini marathon this morning. What a great event to start our summer term with the sun shining on us all. Thank you to the parents who were able to come along and cheer us on.

Please note that there is no INSET day next Friday. This was changed 12 months ago and has been clearly advertised on the term dates. The joint catholic school inset day as always been advertised as TBC until the hosting school confirms that date.

Our summer term is always a busy term so please keep an eye on the main calendar for forthcoming events including sports day and production. On *th May we will be holding a VE day – 80th street party in the playground, you are all invited to join us.

PE – Stars of the Week

Rec: Joshua Yr1: Ophelia Yr2:
Jackson St A: Georgia(Yr5) St
M: Minnie(Yr5) St T: Emma(Yr3)
St TM: Rosa(Yr4)

Training
provided

Note from Mr Sever:

If you have any school sports kit at home, please return it to the school as soon as possible. We're currently missing items and its making it difficult for us during tournaments.

Volunteer with Number Champions at St Osmund's!

Would you enjoy helping children in Years 2 and 3 with maths? Do you have two hours a week to volunteer during term-time?

If so, you could become a Number Champions volunteer!

Role: Maths volunteer for children in Year 2 or Year 3.

Commitment : 2 hours per week during term-time.

Responsibilities:

- * Plan and provide one-to-one maths support sessions.
- * Use games and engaging activities to make learning fun.
- * Help children develop maths skills and boost their confidence.

Training: We provide training on fun and effective methods to engage young children with maths and key areas of the curriculum. Our next training session is **Monday 28th April, 10am to 2pm** in Kings Cross and we intend to arrange additional sessions before the end of the school year..

If you are interested, please visit www.numberchampions.org.uk for more information and contact Lorraine at lorraine@numberchampions.org.uk

We also welcome members of the local community, so if you have a street WhatsApp group, do feel free to share this!
