

St Osmund's Catholic Primary School Newsletter

Friday 31st January

Dear parents and children,

I am sure you have all been told, we had a slightly different week this week with the children eating lunch in their classrooms. I must be honest, lunch was a much quieter affair than usual. The reason for the change was an upgrade to the hall lights. The 42 old lights have been replaced with 20 more efficient and energy saving LED lights. We have been waiting to replace them for a little while but it has now been possible with generous support of PTFA funds. Thank you to all of you who support our PTFA fundraising, it really has added a shine to our school this term.

Parent Governor elections – we have 8 candidates who have prepared election statements. I will be sending these along with voting details shortly.

Golden Values

Maisie (Rec), Evelina (Yr4), Georgia (Yr5), Rose (Yr3), Minnie (Yr5), Elsa (Yr5), Ana (Yr4), Francesco (Yr3), Thomas (Yr5), Isla (Yr4)

PE – Stars of the Week

Rec: Julian Yr1: Audrey Yr2:
William QB St A: Gabriel (Yr6) St
M: Sofia B (Yr3) St T: Elsa (Yr5)
St TM: Tommy (Yr5)

ATTENDANCE MATTERS

We have an increasing number of pupils who are missing a significant number of school days across the term and school year. The absences are for a variety of reasons but worryingly a large proportion of these are for holidays and insignificant minor ailments. Of course when a child has a temperature, or has vomiting or diarrhoea they must stay at home but for minor illnesses they need to build resilience and be in school. If we think your child is struggling we will contact you. When a child misses school this impacts with their learning and their social development.

EVERY SCHOOL DAY COUNTS

Don't miss out on the education you deserve.
