Friday 7th February

Dear parents and children,

Thank you to everyone who voted in the parent governor elections this week. We will be able to share the outcome next week.

It has been a busy week, especially with regards to sport. On Thursday, our Year 3 and 4 girls football team took part in a tournament in Ham and made it all the way to the final. Mr Sever was incredibly proud of their competitiveness, determination and most importantly, their listening. They won 4 matches in impressive style including winning the semi-final on penalties. Unfortunately, they narrowly missed out in the final against Heathfield and were tournament runners up. Well done girls!

It has also been a busy week for netball matches and I was fortunate to be able to witness a very impressive match against Lowther, which we won 9-5. It was a really competitive match from both teams, thrilling to watch!

Safer Internet Day – Poster Competition

Our Curriculum leader in Year 6 (Gia) has set a poster competition for Safer Internet Day which is on Tuesday 11th February. The theme for the day this year is 'Too good to be true' which helps us understand that we should not believe everything on the internet.

To enter design a poster about how to use devices and the internet safely.

Entries need to be on Tuesday – Good Luck
